

DECLARATION OF CONFORMITY

We, S.C. NEXXON S.R.L., Tg. Secuiesc, Str. Orban Balazs, Nr.14, Jud. Covasna, VAT identification number: 8509728, assure, guarantee and declare on our own responsibility, that the product(s) in the invoice nr.....issued on, to which this declaration relates, do not present a risk to the public, and are in conformity with the following standard and normative documents: ECE NR.30, ECE NR.54, ETRTO, DOT.

WARRANTY CERTIFICATE

Naming of the product:, identification elements (dimensions, profile name, construction serial numbers/DOT) Invoice and/or receipt: Consumer.....

SC NEXXON S.R.L, importer of tires and inner tubes for tires, guarantees the quality of these products against manufacturing defects as follows:

The warranty period for tires is 24 months, calculated from the date of the sale to the consumer.
The warranty period for retreaded tires is 12 months, calculated from the date of the sale to the consumer.
The warranty period for inner tubes is 6 months, calculated from the date of the sale to the consumer.

The liability of the seller, according to the OUG no. 140/2021, is due if the lack of conformity, appears in a period of 2 year, calculated from the sale of the product to the consumer.

The warranty covers defects in workmanship and materials.
The deadline for resolving complaints is 15 days from the submission of the complaint at our company headquarters, according to the OUG no. 140/2021.

Important:

The tire size must be chosen according to the instructions given by the manufacturer. It is required to use the tires within the parameters printed on the tire, regarding the maximum load - correlated with maximum or minimum pressure and speed allowed.

The average duration of use of the tire

The average duration of use of the tire is until reaching 1.6 mm for passenger cars and light trucks, 2 mm for truck tires, but no more than 36 months from the date of sale to the consumer.

For the tires for agricultural machinery is 2 mm for rim diameter up to 20 "and 4 mm for rim diameter over 20" but not more than 48 months from the date of sale to the customer.

Attention: Cancellation conditions of the warranty

- cuts, stings, strong impacts with potholes and curbs or due to the poor condition of the rim
- tires mounted on inadequate rims, damaged rims, deformed or corroded rims
- faulty mounting and dismounting of the tire
- rolling with overload or with inappropriate pressure
- accident, fires
- the use of tires in racing competitions
- excessively heating wheels
- mechanical defections of the vehicle (braking system, suspensions, direction)
- not stopping the vehicle in the case of flat tire
- rolling with hard, sharp objects caught between twin wheels
- improper strange
- any intervention on the tire by the user

Methods for granting the warranty

Any complaints and all documentation related should be sent to SC NEXXON S.R.L Tg.Secuiesc, Str.Orban Balazs, Nr. 14. The complaints will be accompanied by the purchasing documents of the end user, Warranty Certificate(completed with the DOT serial number of the tire) and a copy of the registration certificate of the vehicle on which the tire was mounted.

No warranty is granted for tires with excessive wear (tread depth for passenger tires under 1.6mm, tread depth under 2mm for agricultural machines with rim diameter up to 20 "and under 4 mm for rim diameter over 20")

Granting the warranty

If the quality complaint is accepted, the tire is replaced entirely in the warranty period of two years from purchase.

If the tire reclaimed, has a wear over 10% of the initial height of the tread, it will be replaced during the warranty period with a new tire with the bearing by the customer the cost of the tire wear (percentage determined by measuring tread depth remaining)

Any replacement of the products will be made within a reasonable period of time agreed between the seller and the consumer (OUG no. 140/2021).

Consumer rights are protected by Romanian O.G.21 / 1992, OUG no. 140 / 2021 and L. 296 / 2004.
